

Manager/Coaches Code of Conduct

The function of a coach is to ensure a positive baseball experience for all players regardless of ability. Coaches serve as an advisor, mentor, lifeline, or simply as a person to lend an ear and listen. The role that a coach can have on a player's life is significant in youth development. The sports field offers a place to develop both as an athlete and individual, and lessons learned on that field will be carried throughout life. Each player should be treated with the utmost respect, and his or her welfare should be considered in decisions by the coach at all times.
